

Rich Pacesa, President

As someone who enjoys the Spring and Summer seasons, I am grateful Winter is long behind us. Typically, at Bay Head Shores we would have had Spring/Summer schedule packed with events underway. While life slowly starts to return to normal, we have seen things loosen up with restrictions. I am hopeful as 2021 unfolds we will see a complete return to normal. Despite all we have gone through in the past year, since reopening, BHSPPOA has been able to continue operating almost seamlessly thanks to our tireless volunteers. Thank you, thank you, thank you, our club would not exist without each of you!

Lounge

Thank you to Bob Hart and Chris Erhardt for co-chairing the lounge together. The lounge hit a bump in the road early this year with an extended closure, but we are back on track and having great success. Indoor capacities have returned to normal since the state has lifted restrictions. We ask all members and their guests to continue to be mindful of others with safe distancing for the comfort of everyone. If you are interested in becoming a volunteer bartender, please reach out to Bob or Chris. It is a lot of fun and a great way to get to know fellow members.

Banquet Room

The Board of Trustees is happy to announce since the lifting of restrictions by the state, Banquet Room rentals will resume on a non-restricted basis. For details please reach out to one of our rental coordinators, their contact information is available on our website at: www.bhspoa.com

Boat Basin

Work on the bulkhead replacement and reconstruction has been underway for the past few months.

The project has been a large undertaking. The improvements made are significant and have taken longer than originally planned, once complete the marina will be better than ever. While the construction portion is finished, the soil needs to settle, the ground needs to be graded and compacted and final landscaping needs to be done, we look forward to a beautifully finished marina. Thank you again Ed Laing, Art Hoover and Greg Ross for your continued efforts on this project!

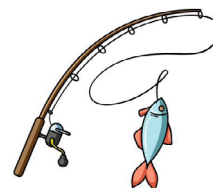

Ladies Auxiliary

The ladies ran an April Easter Egg Hunt, it was a big success! Many thanks to Gina Iacona for organizing the event. Also, thanks to the adult and teen volunteers who helped out, and all those who donated basket items. In total \$600 dollars was made for the Ladies Auxiliary and a little over \$500 dollars was donated in gift cards to Panthers Let's Eat! The ladies meet monthly and are always welcoming new members. If you are interested in joining, come to a meeting, they meet the second Thursday of every month!

Fishing Club

The Bay Head Shores Fishing Club has resumed regular monthly meetings, they met on May 18th and are looking forward to a great 2021....The fishing club meets every third Tuesday of the month, if you are interested in joining, new members are always welcome to attend. This will be a dues free year. For more information, Contact Brian Vroome. Email: brvroome@comcast.net Phone: 732-597-1307

General Meeting

Traditionally we have a Spring General Meeting in the month of March. With limited indoor capacities the board had decided it was best to reschedule the meeting until we could meet in a safer environment. Since the state has now lifted restriction we can meet with the option of indoor or outdoor. Our next General Meeting is scheduled for Sunday August 22, 2021 at 3:00pm.

Bocce

One of the great ancient games played in the Roman Empire is returning to Bay Head Shores! Thanks to Greg Ross, starting on Thursday nights in June the Bocce League has returning to BHSPPOA. Any club members interested in participating please reach out to Greg tccnr@aol.com
